

# THANK YOU!

**Your holiday generosity will help us serve the poor year-round**

## WISH LISTS FROM OUR PROGRAMS

We deeply appreciate donations we receive from generous and kind donors like you who help us make the most of our resources.

To guide donations so to make the greatest impact, we asked our program teams what would supporters could give that would make life better in our shelters for the homeless and poor.

We also list contact information for your questions and arranging donation drop-off.

Like all financial donations to the Ministry, your gifts to our programs are tax-deductible.

We thank you in advance for your continued support and kindness to the poor.
